LCAA Airbag

Up Coming Events!!

Saturday Sept 3rd— 2nd FARM Charity Float Fly Event. See attached flier

*Monday Sept 5th **our** Labor Day Club Picnic. Come on out and enjoy the holiday with your like minded hobbyists. If enough of us bring our combat planes with can try and hit each other on purpose!!*

Lunch will be noonish as always, sorry no lamb kabobs this time . 🤔

*LCAA's next **Night Flight** event. Saturday September 10th from when you show up until 11PM or bedtime whichever is earlier.*

Things to remember:

- *Electric aircraft only*
- *The park closes at 8PM so when anyone comes in or out after 8 PM the gate must be closed AND locked.*
- *There are no lights at the field so bring flashlights or headlamps. I'm told that RED leds or lights are best since they don't interfere with night vision*
- *No club BBQ but we'll have some snacks and drinks available. Feel free to bring food and use the grill, just remember to clean up when you are done.*
- *Sorry guys and gals but absolutely no alcohol is permitted in the park or at the field.*
- *All safety rules apply any time we are at the field day or night*
