## LCAA Airbag

Just to confuse you and make me send you another Airbag, we've decided to use **Google Meet for this Tuesday's club meeting.**

Please follow this [link](#) in order to join us or enter :

<https://meet.google.com/vda-agqv-mfs>

in your favorite browser.

I'm also attaching two documents from Mr. Coroplat that will help with Tuesday's discussion and be great tools should you want to build your own planes.

Remember, we still are looking for another aeromodeller enthusiast to volunteer and join our club's Board of Directors. Are you ready to step up and join in the fun?

Elections are during our next club meeting. **THIS COMING TUESDAY** December 8th.

### ***OTHER IMPORTANT NEWS***

Deer Hunting the following Friday's in December :

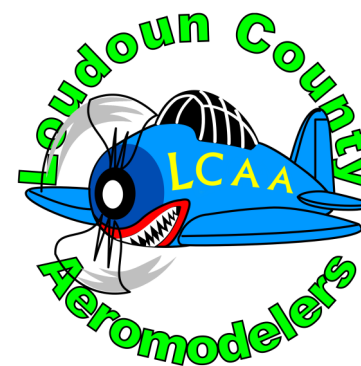

**12/11, 12/18**

**The preserve is closed to everyone including us!**

***Stay safe, be safe and if you're going to crash make it memorable!***
