

June 6, 2021

LCAA Airbag

Happy Sunday

It was a hot weekend but the flying was great and we had about 25 fliers at the field over the 2 days, plus a series of serious Domino games.

Please don't forget, if you are the last one to leave the field that you not only put the lock on the shed but that you also lock the left hand door with both the top and bottom inside bolts. This helps keep the doors shut and help prevent the critters from getting in easily.

Club meeting this Tuesday, June 8th

The fun starts at 7:30ish.....

LCAA Club Meeting via Google Meet follow this link:
