 - ⇒ PAD HOP(TIMED)

BRING OUT YOU QUADCOPTERS AND HELICOPTERS AND GIVE IT A TRY

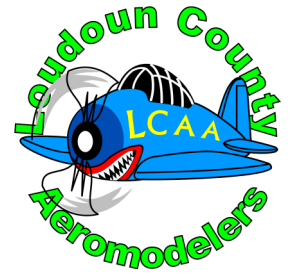

Banshee Reeks Nature Preserve is hosting their 4th annual “Summer in the Reeks” festival

It happens during National Pollinator Week; a time where we celebrate pollinators and spread the word about what we can do to protect them, with this year’s theme of “Bee the Difference.” **The festival is on Saturday, June 15th and runs from 10AM until 2PM.** There will be a number of exhibitors, live musicians, family activities, food trucks, and games on site.

In addition to encouraging everyone to come out to this event LCAA usually has a table with static displays of our Aircraft. We are provided with a table and chairs, situated under our 20’ x 40’ tent in the parking lot. The park encourages kid related items or activities at your table, as this will more likely draw in the parents to learn more about your organization’s mission and goals.

Don Miller is coordinating our activities, reach out to Don if you can help or just come by and visit with some friends.
