Happy Thanksgiving Weekend

Annual elections are on December 8th during our next club meeting. Four current board members are happy to stay on for new 3 year terms but one board member retired before his term ended.

That is why we are looking for another aeromodeller enthusiast to volunteer and join our club's Board of Directors. There is a low time commitment as we officially meet as a board only once a month, for now over Zoom but normally over drinks. It is a great way to learn more about our club and the Banshee Reeks Preserve we call home, as well as laugh with your fellow aeromodellers off the field. If you have the interest and the time, we'd love to have you as part of the team. If you are unsure or have questions please reach out to any of our current Board members listed on our club website.

OTHER IMPORTANT NEWS

Deer Hunting the following Friday's in December :

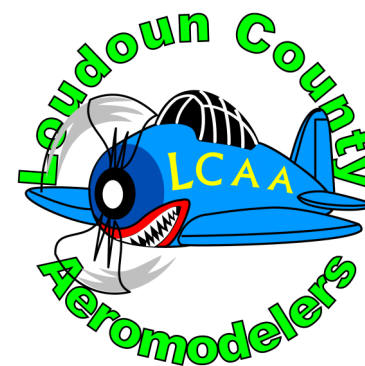

12/4, 12/11, 12/18

The preserve is closed to everyone including us!

FINALLY

The preserve has approved our Quad race course! It is off the runway at the East end of our field. More to come as we work out the details.
